Die Swiss Dnce Chart erscheint immer am Montag und wird von DeeJays aus der ganzen Schweiz getippt. Titel die bereits 10 Wochen in den Charts gewesen sind, werden gesperrt und können somit nicht mehr getippt werden. Alle Punkte werden auf die tatsächliche Tipperpoolgröße hochgerechnet, damit bei den Monats- und Jahrescharts kein Nachteil für einzelne Titel entsteht. Bullets sind die Titel, die noch nicht in die Top 100 eingestiegen sind, aber es bis auf die Plätze 101 bis 120 geschafft haben. Diese Chart darf ganz oder auch auszugsweise, veröffentlicht, kopiert, weiterverbreitet werden, sofern der Herausgeber mit genannt wird.
